### “We are linguists”

At St. Michael's CE Primary School, we aim to provide a high-quality language curriculum through the teaching of French, in order for them to succeed and excel in a Modern Foreign language.

### Aims

- Children should read fluently, both aloud and independently, in French.
- Children should speak confidently and clearly in French and take part in conversations.
- Children should write imaginatively in French, using adventurous word choices.
- Children should understand the culture and history of the countries in which French is spoken.
