

**Brain Builder – The ‘Enigma’ Code**

**Thursday 10<sup>th</sup> March 2022**

Our current topic is World War Two. Your task is to research the ‘Enigma’ Code, Bletchley Park and Alan Turing’s role in cracking the ‘Enigma’ code:

- *What was the code?*
- *What and where is Bletchley Park?*

Your task is to present your research in an imaginative and creative way and then design and encrypt your own code for others to try and solve.

I look forward to solving your codes!

**Due: Thursday 31<sup>st</sup> March 2022**
